Explanation of Responses:

1. Exercised shares are fully exercisable; remaining option shares vested at 1/48th of total grant per month.

2. This number reflects the correct number of shares that remain subject to this option after taking into account the transaction being reported herein. Report filed on 11/3/2005 inadvertently reflected only the number of shares then exercisable pursuant to the option rather than the total number of shares that remained subject to the option at that time.
